

DH distance bushings

for multi-layer mounting of strain relief plates

Due to DH spacers strain relief plates can be mounted in multi-layers to achieve an increase of the cable density.

RoHS
compliant

Made in
Germany

Specifications

Material	Aluminium
Mounting options	Screw type mounting

Advantages & benefits

- Increase of cable density

Product types & sizes

DH 30

Part No.	32251
EAN	4251269300929
Package quantity	10
Length L1	30 mm
External diameter	8,5 mm
Diam. of screw holes	5,2 mm

Part No. **32252**
EAN **4251269300**
936
Package quantity **10**
Length L1 **32 mm**
External diameter **12 mm**
Diam. of screw holes **6,2 mm**
